Have a look through the attached pages and find what interests you. Then take a bold step and make contact!

The attached pages list many of the clubs, facilities, befriending and community groups, organisations, activities, charities, and social enterprises that are based in - or work within the main areas covered by our Baslow Health Centre. It has been compiled from Parish magazines, The Derbyshire Community Directory and other sources.

The Directory is alphabetic and covers **Baslow, Curbar Calver and Froggatt, Great Longstone, Bakewell and District, Derbyshire.**

If any information needs to be changed, or if you have a new service or club that you would like to have included in the Directory please email Baslowpatients@gmail.com

The Local community directory has been compiled by the Baslow Health Centre Patient Participation Group with the aim of helping people to join in with their local community. Every patient of the surgery can register to be a member of the PPG; all you have to do is contact the Membership Secretary, Keith Maslen

If you do not find what you are looking for here try the Derbyshire Community Directory, it has a terrific online resource that lists and describes thousands of voluntary groups, social enterprises/clubs etc. in Derbyshire. The site has a great free text function that enables you to search for particular areas, needs and interests that you might have. The directory is full of information and cannot be easily replicated in print so give it a try
